

## Congressman From Texas Wants Lots of Elbow Room

### Hardy Uses Floor of House To Take His Exercise.

Rufus Hardy, a new Representative in Congress from Texas, should have been given standing room instead of a seat in the House when he was sworn in.

He seldom uses his seat. He is continually on his feet, making speeches and asking questions of those who are speaking. That retiring modesty which is supposed to mark the new member has never laid its caressing hand upon the brow of Hardy. He speaks practically every day.

Hardy of Texas has nearly worn out the carpet within a radius of two yards of his seat.

### Holy City Graft Brings P. O. Order Against "Widow"

The Holy City may be a strange place to look for graft and grafters, yet the Postoffice Department has just issued a fraud order against a party who resides on that sacred soil.

Mrs. C. H. Jerschawer, of Jerusalem, Syria, is accused of sharp practices.

According to the story and the records of the Postoffice Department, Mrs. Jerschawer has made a practice of sending to well-known people in this country circular letters reading as follows:

"Allow a poor helpless woman to send you the following request. My husband is a honest and laborious work man who has worked his whole life in order to sustain his family and children. Unhappily, some years ago he became sick of the eyes and he has been forbidden by physicians to do any work. I have therefore been forced to take in my own hands the direction of the whole household, and I began to work, that I may get some bread for my children. But as at present it is nearly impossible to get any work in our Holy City, I would be exposed to starvation together with my poor children."

"I therefore take the liberty of sending you one beautiful souvenir (in this instance a cheaply gotten up album containing alleged specimens of flowers which grow in the Holy Land), and of imploring your kind heart in my favor. Have pity with a poor, forsaken family, and save it from the jaws of famine by sending me for some whatever your kind heart will dictate you. The Almighty will undoubtedly reward your generous deed and grant you all kinds of happiness and prosperity. In the hope that you may grant my request, I beg to remain, thankfully yours."

The American consul at Jerusalem reported to the Postoffice Department that the business was a species of fraud in which a number are engaged. The parties are said not to be poor, as it costs considerable money to conduct the business. The consul reports that he has received and answered fully 100 letters on this subject from people in the United States. At the time Secretary May died a similar letter was received from Jerusalem by Mrs. May.

### EIGHTH STREET TEMPLE WILL RESUME SERVICES

The repairs to the Eighth Street Hebrew Temple, partially destroyed by fire three months ago, having been completed, services will be resumed there tomorrow evening. These services will also mark the fourth anniversary of Dr. Abram Simon's coming to Washington. Tonight regular services will be held in Calvary Baptist Church, which has been used by the Temple congregation since the fire. Addresses will be made tonight by Dr. Simon and by the Rev. Samuel Greene, pastor of the Calvary Baptist Church.

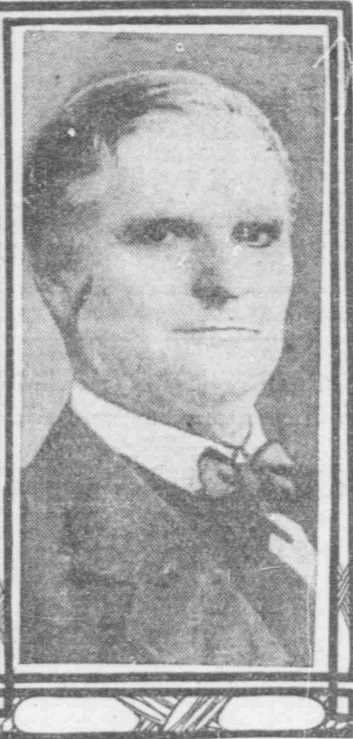

### FUNERAL SERVICES HERE FOR MRS. MARGARET HANNA

Brief funeral services for Mrs. Margaret Phillips Hanna, who died yesterday at the home of her son, Edwin P. Hanna, will probably be held here before the body is taken to Salina, Kan., for burial.

Mrs. Hanna was eighty-one years old and a native of Paisley, Scotland. She was the widow of Capt. B. J. F. Hanna, one of the pioneer newspaper men of Kansas. Mrs. Hanna is survived by two daughters, Mrs. H. W. Mann, of Elkins, W. Va., and Mrs. B. P. Morgan, of Clay Center, Kan., and one son, Edwin P. Hanna of Washington.

### PEORIA CONFLAGRATION RUINS EIGHT BUILDINGS

PEORIA, Ill., Feb. 6.—Fanned by a strong breeze a fire which started in the Watson building, in South Adams street, the city's principal business section, at 10 o'clock last night, destroyed one four-story, one three-story, and half a dozen two-story buildings, causing damage estimated at \$200,000. An unconfirmed report says three firemen have been killed. The blaze gave the city's fire department one of the hardest battles in its history.

## HARRY W. HOAGLAND HONORED BY PRESS CLUB

Harry W. Hoagland, formerly a Washington newspaper man, has been elected president of the Pen and Pencil Club of Philadelphia, one of the largest and strongest press clubs of the country. Mr. Hoagland has been connected with the Philadelphia Press several years and had been associated with other Philadelphia papers before affiliating himself with the Press. He is a graduate of the Washington high schools, and began his newspaper career in this city, where his mother and sisters live. The Pen and Pencil Club numbers among its members some of the most influential men in Pennsylvania, and William Jennings Bryan is counted among its members of national prominence.

## DEMOCRATS TO MEET TO ELECT OFFICERS

Officers will be elected, and an organization effected by the Democratic Congressional campaign committee at a meeting Monday night. The committee consists of one Representative from thirty-eight States and Territories and nine Senators. The chairmanship of the committee is the chief bone of contention. Since the session of Congress opened there has been a spirited contest on among Representatives Lloyd of Missouri, Flood of Virginia, Ryan of New York, and Bowers of Mississippi. Claims of the different candidates are conflicting. Mr. Lloyd's friends say he has seventeen votes assured, twenty being necessary for election. Other candidates do not concede Mr. Lloyd is in any way assured of election.

## SNOW REMOVAL BILL PRESENTED IN SENATE

Senator Gallinger introduced in the Senate today two bills recommended by the Commissioners, one for removal of snow and ice from paved sidewalks in the District, the other for removal of dirt and gravel from alleys and sidewalks. The appropriation carried in each bill is \$50,000. The snow and ice bill makes it obligatory on property owners and tenants to remove snow from their walks within the first four hours of daylight after a snowfall and to put ashes or like material over ice on the walks. A fine of \$5 or five days' imprisonment is the penalty. Best Coal at Low Prices. R. J. & M. C. Grace, 4th & F ne. Phone Lincoln 233.

## Call Daughter Evelyn N. Thaw; Face Violence

VOLIN, S. D., Feb. 6.—The parents of a new-born daughter having named her Evelyn Nesbit Thaw, their neighbors are indignant and threaten violence unless the child's name is changed. GODLEN CROSS CELEBRATIONS. Grand Commandery, United Order of the Golden Cross, will celebrate its twenty-fifth anniversary at the Pythian Temple tomorrow evening with a musical and literary program. It is expected that a large number of the families and friends of the members will be present, as these annual affairs have been highly entertaining to those who have attended in former years.

## TURKS DEFY GOVERNMENT; TROOPS GO TO BORDER

TIFLIS, Feb. 6.—Turkey is continuing to rush troops to the Turko-Persian border in absolute defiance of the Czar's warning that he will support the Shah in the pending boundary dispute. No move is being made toward the evacuation of the Persian territory already seized by the Turks, and the opinion here is general that there will be war between Russia and Turkey in the spring. OBVIOUS. "Now," said the physician, "you will have to eat plain food and not stay out late at night." "Yes," replied the patient, "that is what I have been thinking ever since you sent in your bill."—Exchange.
